

# National Volunteer Week

National Volunteer Week is about thanking one of America's most valuable assets – our volunteers – and calling the public's attention to all that they do to improve our communities.

During National Volunteer Week you can:

- **Attend** our kick-off event on Monday, April 14. There will be speakers, a service t-shirt display, service RSOs, and you can stop by and make a craft to be donated to a local agency.
- **Participate** in a service project.
- **Organize** a collection drive (collecting pop tabs, school supplies, cell phones, and toiletries).
- **Nominate** an Individual or Group for the 2008 Outstanding Service Awards.

(Nomination Forms available online at <http://www.union.uiuc.edu/ovp/nww/>)
